

Fulbright Foreign Student Program is now available to provide students with an opportunity to receive a scholarship that covers a maximum of two graduate academic years of study in the United States beginning in August 2024. The Fulbright Program was established in 1946 and is the U.S. Department of State's flagship scholarship!

This is a very important opportunity for Lebanese students to pursue their graduate studies on a U.S. Government-funded grant that includes roundtrip airfare, university tuition for up to two years, books, health insurance, and stipend to cover lodging and living expenses.

The deadline to submit the online application and required documents for the program is Thursday May 2, 2024.

Interested students should log on to
